

# POLIFAN® Mini

## 2" & 3" Quick Change Flap Discs

- More Life: Outlasts conventional quick change discs up to 20 to 1
- More Power: Able to grind and finish in one step
- More Performance: Stays aggressive throughout extended service life

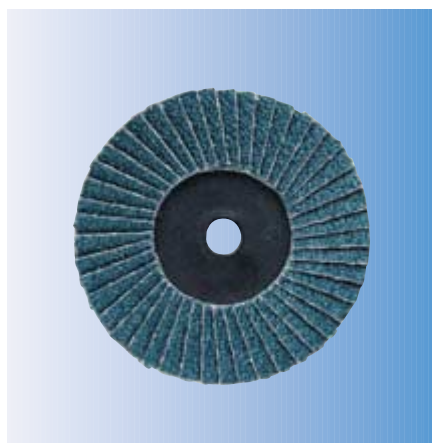

## Quick Change Flap Discs

POLIFAN® Mini joins the PFERD family of flap discs in 2" and 3" diameters. Available in Flat and Conical style zirconia grain with a grit range of 24 through 120. Like standard POLIFAN® flap discs, Quick Change POLIFAN® Mini offers many advantages over mini fiber discs.

### Benefits:

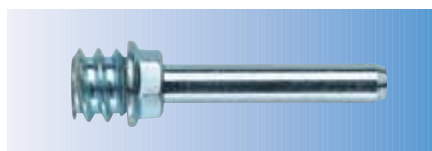

- Outlasts conventional quick change discs up to 20 to 1
- More aggressive; able to grind and finish in one step
- Stays aggressive throughout the life of the disc
- Does not require a backing pad
- Cooler grinding
- Suitable for use on all materials
